Quality Premium Charge

The quality premium charge applies to children who receive funding and was first introduced in September 2017 in line with the government incentive of 30 hours childcare. This charge allows a nursery setting to request a donation to help cover costs such as artwork resources and trips (as well as additional staff for trips) due to the government underfunding the early years hourly rates.

As we are starting to offer more funding throughout the nursery this charge is becoming more paramount to maintain the high-quality experiences that we provide children such as trips and diverse activities and crafts each day. Although this charge is not compulsory, we are grateful to all the parents over the last few years who have supported the nursery by contributing this fee. As a setting we would love to continue offering a range of experiences to children.

The rates for the quality premium charge will be £15 per week for those claiming 15 hours and £30 per week for those claiming 30 hours funded childcare.

We would like to take this opportunity to further reiterate our gratitude to the families who continue to support our nursery and help us to provide the best quality teaching and care.

For more information regarding the challenges the early years sector are facing please visit Champagne Nurseries on Lemonade Funding or alternatively follow the link below for a slide show representative on the importance of nurseries receiving the quality premium charge from parents.

Payment Terms

Please note that prompt payment allows us to pay the people that look after your child(ren). If you have any difficulty paying the invoice, please contact us so that we can arrange repayments over a longer period.

From March 2025, Green Lane Nursery Ltd has updated their terms and conditions to reduce the number of reoccurring debtors, and will follow a Late Payment Policy as follows:

1. Invoices are raised through Famly around the 20th of the month and are due to be paid in full by last day of the month.
2. If your invoice is not paid by the due date, you will receive a payment reminder via Famly.
3. Should your invoice remain unpaid, you will receive a £10 late payment fee.
4. We will try to contact you by telephone, but should your balance continue to be unpaid, a copy of your invoices will be posted to your address and additional charges of £15 plus recorded postage, will be applied to your account.
5. £10 late payment fees will continue to be applied to your balance each month that your account remains in debt.
6. After this, we reserve the right to no longer provide childcare for your child(ren).
7. Should your balance remain uncleared, a formal letter stating your debt will be sent to your address and additional charges of £100 plus recorded postage, will be applied to your account.
8. Unfortunately, if all these attempts to settle your account have been ignored, Green Lane Nursery Ltd reserve the right to pass your account over to DCBL.
9. Please note that DCBL is the UK's leading provider of Debt Recovery and High Court Enforcement services who have a very high record of recovering debts.
10. If your account is passed on to DCBL, you will also be liable to pay for all of their fees on top of your Green Lane Nursery Ltd account balance.
This is not a route we would like to take lightly and must reiterate that communication is key to prevent this.
