**Payment Terms**

Please note that prompt payment allows us to pay the people that look after your child(ren).

Invoices are raised through the Family app on or around the 25<sup>th</sup> of each month and are due to be paid in full by the 1<sup>st</sup> of the month, if this is not paid on time, you will incur a **£10 late payment charge** which will be added to your next invoice.

If you have any difficulty paying the invoice, please contact us so that we can arrange repayments over a longer period.

If we do not receive payment in 14 days and have not heard from you, we will send a reminder requesting full payment within 7 days.

If we still do not receive payment, we will send a further reminder.

At this stage we will also reserve the right to no longer provide childcare for your child(ren).

If payment is still not received then your account will be passed onto a debt recovery agency that will add their fee onto the invoice, which you will also be liable for.

## **Early Years Pupil Premium (EYPP)**

From April 2015, nurseries, schools, childminders, and other childcare providers have been able to claim extra funding through the Early Years Pupil Premium to support children's development, learning and care.

National data and research informs us that children who are eligible for free school meals tend to make slower progress, for example, in 2014, 45% of children eligible for free school meals achieved the expected level at the end of the early years foundation stage compared with 64% of other children. The Early Years Pupil Premium will provide us with extra funding to close this gap.

The Early Years Pupil Premium provides an extra 53 pence per hour for three and four year old children whose parents are in receipt of certain benefits or who were formerly in local authority care but who left care because they were adopted or were subject to a special guardianship or child arrangements order.

This means an extra £302 a year for each child taking up 570 hours funded entitlement to early education. This additional money could make a significant difference for your child.

We can use the extra funding in any way we choose to improve the quality of the early years education that we provide for your child. This could include, for example, additional training for our staff on early language, investing in partnership working with our colleagues in the area to further our expertise, or supporting our staff in working on specialised areas such as speech and language.

It is well documented that high quality early education can influence how well a child does at both primary and secondary school, and into adulthood, so we do want to make the most of this additional funding.

You may be aware, if you have older children, that a pupil premium has been available for school-age children, and it has proven to have given a real boost to the children receiving the funding.

We want to do the same for our early years' children entitled to this funding.

We need information about you and your child to provide the best education and support by making sure we receive all the government funding to which your child may be entitled through EYPP.

Please complete the details on the following page:

## Partnership Working

The Early Years Foundation Stage encourages partnership working.

The EYFS Statutory Framework 2012 states,  
 “Providers must have the consent of parents and/or carers to share information directly with other relevant professionals, if they consider this would be helpful.” (2.5 p.11 Statutory Framework for the Early Years, March 2012)

Children do best when parents/carers and other professionals work together.
